SPAL USA 11-INCH HIGH PERFORMANCE DUAL FAN

(\$314.95) The top in SPAL's high performance fan line, the Dual 11-inch High Performance Fan is the most popular fan design for street machine enthusiasts. It features a paddle blade designed for increased airflow and reduced fan noise. The fans feature sealed motors that are individually balanced for extended life. SPAL USA, (800) 345-0327, spalusa.com.

Charles Humphrey, Fennimore, WI: "This fan blows some serious air. It's just like standing in front of an air conditioner. It will keep the hottest cars cool."

Wayne Stewart, Roxenburg, PA: "I recommend this fan because it's easy to install and because of how much air it flows."

FAST FUNNEL

(\$1.49 per 3-pack) Made of a coated, heavy grade paper stock, the simple, convenient, and disposable Fast Funnel can be used with any liquid or power to help aid in filling, instead of spilling. The folded flat construction makes it easy to store, and the inside remains clean until you are ready for its use. S&S Concepts, Inc., (847) 434-1560, fastfunnel.com.

G-FLOOR

(\$3.00 per square foot) The G-Floor is a specially formulated ten-foot wide, roll out polyvinyl pad that covers your garage floor in minutes. It protects your floor by using channels that direct run-off out the door, preventing dirt from migrating across the floor, and it acts as an effective water and vapor barrier. The G-Floor is easy to clean and is impervious to oil and other fluids that often leak from cars. Better Life Technology, (913) 894-0403, bitllc.com.
