

ROAD TEST PREVIEW

ROAD TESTS IN PROGRESS

These are a few of the products currently being tested by Club Members. Look for results of approved products in upcoming issues or at www.ridersclubofamerica.com.

Guardian WeatherAll Plus EZ Zip Motorcycle Cover

Featuring a limited lifetime warranty, the Guardian WeatherAll Plus EZ Zip Motorcycle Cover (\$130) uses an exclusive ClimaShield Plus heavy-duty coated polyester fabric with Color-Lok to repel water and resist fading five times longer than standard covers. It uses a conveniently placed zipper in the back of the cover to make installation fast and easy. Other features include aluminized heat-resistant panels to safely cover hot exhaust pipes, a Moisture-Guard venting system to expel condensation, taped double-stitched seams and reinforced grommets to lock the cover in place. **Dowco, Inc., 800-558-7755, www.dowcopowersports.com**

Turn A Bike Sidewinder 1 Motorcycle Turntable/Dolly

Using a rugged aluminum construction, the Turn A Bike Sidewinder 1 Motorcycle Turntable/Dolly (\$650) features heavy-duty 3" medical grade casters with adjustable wheel and kickstand pads to hold up to 950-pounds of side stand motorcycles.

After mounting your bike on the Sidewinder 1, you can easily move and position it into tight spaces, freeing up much needed garage space or other storage room. **TurnABike.com, (425) 818-0502, www.turnabike.com**

Awakening HANDS Therapy Hand Cream

Awakening HANDS Therapy Hand Cream (\$16.95 per 100ml tube, roughly a 4-5 month supply) contains concentrated and curative minerals designed to heal dry, exposed skin - otherwise known to motorcyclists as "Renewing Your Mangled Mitts." One pearl-size drop will treat both hands as the nongreasy, non-sticky formula absorbs quickly with a clean aroma of cinnamon, ginger and myrrh. **Awakening Skin Care, 800-200-6546, www.awakeningskincare.com**

Heavy-Duty Motorcycle Mat

The polyvinyl Heavy-Duty Motorcycle Mat (\$170) from Better Life Technology, LLC gives you a stage to show off your motorcycle while parked. Its 5-foot x 10-foot size uses an anti-slip ribbed design to protect floors from

stains, tire and kickstand marks, while taking pressure off the tires. On top of it all, it easily cleans with soap and water to keep it looking sharp for many years. **Better Life Technology, LLC, (913) 894-0403, www.blillc.com**

Pour-N-Restore Oil Stain Remover

Pour-N-Restore (\$13 for 32oz bottle) is an effective stain remover featuring its micro-extraction technology, which locks onto deeply embedded oil molecules

and extracts them to the surface. Simply apply Pour-N-Restore, let it dry from a liquid to a powder, then sweep it and the stain away. It is ideal for driveways, garage floors and walkways by removing stains left by oil, grease, antifreeze, brake fluid and more. **Edgewater Industries, 800-508-7939, www.pour-n-restore.com**
