Guardian WeatherAll Plus EZ Zip Motorcycle Cover

Featuring a limited lifetime warranty, the Guardian WeatherAll Plus EZ Zip Motorcycle Cover (\$130) uses an exclusive ClimaShield Plus heavy-duty coated polyester fabric with Color-Lok to repel water and resist fading five times longer than standard covers. It uses a conveniently placed zipper in the back of the cover to make installation fast and easy. Other features include aluminum heat-resistant panels to safely cover hot exhaust pipes, a Moisture-Guard venting system to expel condensation, taped double-stitched seams and reinforced grommets to lock the cover in place. **Dowco, Inc., 800-558-7755, www.dowcopowersports.com**

John Rude, St. Paul, MN:

"It is a great cover that is perfect for long-term storage. I especially like the silver heat-resistant material at the bottom, the ventilation holes to release possible condensation and, best of all, the zipper on the back of the cover for convenience and quick access to my saddlebags and top case."

David Paul, Rapid City, SD:

"The Guardian WeatherAll Plus EZ Zip motorcycle cover is by far the best quality and designed cover that I have seen and used."
