ROAD TEST RATINGS

The Road Test ratings are based on a 1-10 scale: 10 is excellent, 7 good, 4 fair and 1 poor.

IonGear™ Battery-Operated Heating Vest

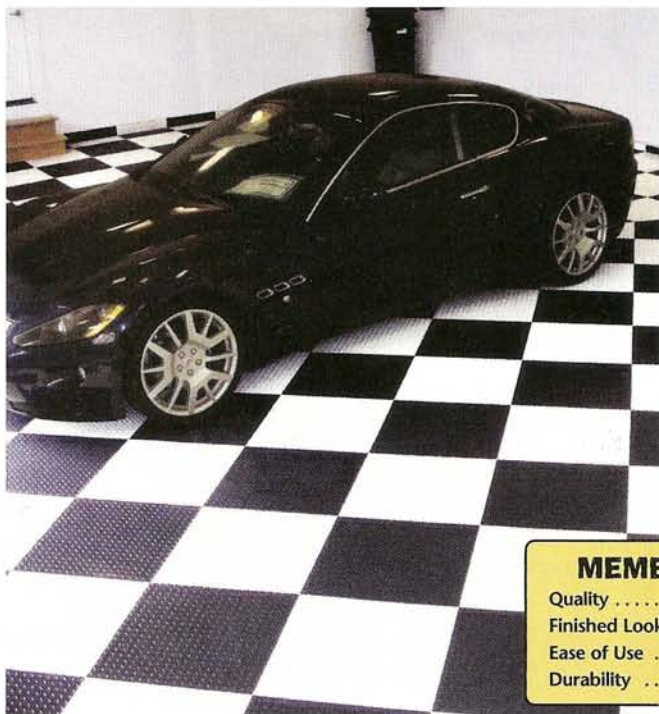

Designed to allow for maximum user mobility, the IonGear™ Battery Operated Heating Vest (\$165) is the perfect companion for those cold weather rides. The vest runs off of an intelligent Lithium-Ion battery that will be able to keep you warm for up to 12 full hours. The vest comes with five easy-to-adjust temperature settings helping you create that perfect comfort zone. All heating elements are completely removable, making cleaning both easy and safe. Available in sizes XS-3XL. **TechNiche International, 888-823-2665, www.techniche-intl.com**

Raymond Evertt, Milltown, NJ: "I wore the vest in 30 degree weather and it kept my core warm. The only parts that became cold was my neck and face."

Robert Ransom, Kansas City, MO: "This heated vest came at the right time for a good test; the weather just turn extremely cold for this part of our country. It was one degree above zero, and the vest handled the temperature very well. I would Recommend the IonGear Battery-Operated Heated Vest."

RaceDay Peel & Stick Vinyl Floor Tiles

Made in the United States, the easy to clean RaceDay Peel & Stick Vinyl Floor Tiles (up to \$3.60 a square foot) are tough and durable vinyl squares that hide imperfections such as cracks and stains, plus prevent any damage to the floor. They are easy to install and will immediately improve the appearance and functionality of your garage, shop or work area. The tiles act as both a floor cushion and vapor barrier, will adhere to uneven floor spots and come with a five-year warranty. **Better Life Technology, LLC, (913) 894-0403, www.bltilc.com**

Andres Armendariz, Brownsville, TX: "I would recommend the RaceDay Peel and Stick Tile to MRCA Members. The installation was quick and easy to do. The tile was easy to work with and the results were amazing. The garage looks like a professional workshop."
