DIAMOND TREAD PEEL & STICK TILE

FEATURES

Instantly protect and transform the appearance of any space with polyvinyl G-Floor® Peel & Stick Tile. Easy to install and available in multiple colors, textures and sizes, G-Floor Peel & Stick Tile is the tough, customizable solution for heavy traffic or work areas of your home or business - garage, basement, kitchen, activity/utility room, workshop, cargo trailer and more. G-Floor Peel & Stick Tile is specially engineered to last for years and extend the life of concrete and other subflooring. The 100% vinyl material is waterproof and resistant to most common household chemicals and contaminants found in the garage or workshop areas. Installs in minutes with innovative pressure sensitive adhesive backing. It's strong enough to drive on.

G-Floor Peel & Stick Floor Tile is the gold standard made in the USA of thick, solid polyvinyl from top to bottom, unlike competitors using filler, laminate or quality product only on the top 10-20% of their product. G-Floor Peel & Stick Floor Tile provides superior quality and protection throughout each tile, for maximum durability.

Design a custom pattern to cover an entire room or simply highlight and protect a smaller area. G-Floor Peel & Stick Tile uses are limitless. Just peel, stick and enjoy!
